

4th working group meeting on violence/burnout CEOM proposals during an armed conflict

17th June 2022

- Develop, at the level of hospital management, a culture of consideration and recognition of the violence against health professionals.
- Promote training and coaching on how to deal with verbal, physical or psychological violence and the possible basis of burnout.
- Hire sufficient protection and security personnel.
- Ensure that staffing standards are raised
- Supporting these actions with a permanent display indicating that violence is not tolerable and informing about coaching opportunities.
- Coordinate EMOS activities in this context.
- Write jointly and widely disseminate to the health authorities any position and proposal of EMOS in this matter of violence.
- Join EMOS initiatives to different international organizations (Red Cross/Red Crescent/HCiD (Geneve 2015)).
