University of Aveiro promotes a transdisciplinary culture reflected by innovative partnerships. This culture challenges it to create a new set of initiatives related to Medical Statistics, by sharing what is best done in this field.

The meeting "STATISTICS ON HEALTH DECISION MAKING" is an initiative that aims to promote the boosting of research and discussion of Medical Statistics. This meeting brings together clinical, academic and professional world, in a discussion forum about strategic lines of statistics in health decision making.

The Congress Organizing Committee is pleased to invite you to submit abstracts for consideration. Abstracts must be submitted online according to meeting deadlines. The Nascimento Leitão Prize – Bayer Prize for best Communication will be awarded during the event.

Meeting Programme

<https://www.ua.pt/pt/estatisticamedica/3rd-statistics-on-health-decision-making>

Conference dates:

April 30, 2020 — Abstracts Submission Deadline
May 31, 2020 — Abstracts Acceptance Notification
